43 HILL VIEW
HENLEAZE, BRISTOL, BS9 4QE
Price Guide £860,000

A fine and substantial four-bedroom 1930s residence with off-street parking. Retaining an abundance of gorgeous period detailing throughout, complemented by modern fixtures and fittings.

Ground Floor

Upon entering, you are greeted by a grand entrance hall featuring beautiful Art Deco panelling and original wooden flooring through an attractive original doorway. This space is as practical as it is characterful, offering a downstairs WC, a dedicated storage cupboard ideal for shoes and coats, and additional under-stair space. A double glazed window to the side elevation ensures the space is flooded with natural light through much of the day.

The first reception room is flooded with light from a large bay window and features an original fire surround that boasts stunning Art Deco styling. As you will find through the property, the lounge seamlessly meshes the period detailing such as the fire surround, decorative ceiling beams, coving, doorway and picture rails with a modern colour palette and log burner.

Sat adjacent, the second reception room and kitchen have been combined to create a stunning open-plan space that makes for a superb family hub. The kitchen is fitted with a range of matching base and wall-mounted units, integrated electric hob, oven, microwave sink and drainer with white metro tiled splashbacks. A peninsula provides space for a breakfast bar/seating area. A dining area is located on the opposite side of the room, providing ample space for a six-seater dining table.

From the kitchen/diner there is direct access to an east-facing private terrace with garden views, and a smartly presented utility room that features a range of base units and space for appliances. Completing the ground floor is an under-stairs storage space accessible from the dining area.

First Floor

Ascending to the first floor via the stairwell with side elevation window inviting plentiful natural light, you will come to a wide and welcoming landing with a handy built-in storage cupboard. The first floor houses four well-sized bedrooms and two bathrooms.

Bedrooms one and two are excellent sizes; one of which has a recently fitted en-suite shower room and wide bay window to the front elevation, and the other offering elevated views from the rear with built-in wardrobes.

Bedrooms three and four are large singles/small doubles offering similar dimensions.

Completing the first floor is a very smartly presented, recently-fitted four-piece bathroom - comprised of a bath, WC, basin and walk-in shower enclosure.

Decoration throughout is immaculate and tastefully done.

Externally

The garden at 43 Hill View is a real highlight, having been meticulously developed over many years to create a beautiful space that wraps around three sides of the home. The front garden is neatly arranged with several raised beds and planters, while the side offers a large patio with two distinct seating areas and a pergola adorned with mature climbers.

Steps lead down to the rear portion of the garden, which is mainly laid to lawn and framed by a mix of fencing and shrub borders. This area also provides access to a sizeable cellar and store, offering excellent additional storage space. Rounding off the exterior is the practical addition of off-street parking.

Vendor's Comments

"The house is a wonderful family home and we spend a lot of our time in the kitchen diner cooking, eating and being together. The balcony is a lovely suntrap and we can see the kids playing the garden from there and the kitchen, this is lovely in the warmer months. The area is fantastic, the schools are fantastic (multiple primary school options and Bristol Free School catchment). Our neighbourhood community on Hill View is really close and helpful. We find the close access to Henleaze high street with its local shops amazingly convenient. With Quarry Park just down the road we are really spoilt for amenities for family life."
