Nottingham
Castle

The Park Estate was originally created from Nottingham Castle's deer park and is now recognised as one of Nottingham's finest residential locations, with properties designed by notable architects PF Robinson and Watson Fothergill.

By the late 1800's The Park was recognised as more of an estate with some 400 houses being erected by 1887. Former residents of The Park include national figures such as Sir Paul Smith and Sir Jesse Boot.

It is a thriving community with its own residents' website

www.theparknottingham.co.uk. It boasts one of the largest gas street lighting systems in Europe and a skyline including the castle which makes it particularly atmospheric at night.

One of the reasons for The Park's popularity is its proximity to some of the best private schools in the region. Both the Boys and Girls High Schools have a national reputation of academic and sporting excellence whilst St Joseph's offers high educational standards with exceptional pastoral care.

The Park Estate offers a tranquil haven with the buzz of the city just minutes away. Nottingham Playhouse, offering the theatre along with 'Cast' restaurant and bar. Other restaurants include the recently opened and very popular Brown's, Hart's, which has a modern British style and a boutique hotel with 32 bedrooms, and World Service – the 'Best Overall Restaurant' in Nottingham's prestigious restaurant awards for a record four years, is testament to World Services quality.

The Park's Squash Club has 10 squash courts, a fully equipped gym, saunas, steam rooms and a bar and restaurant, whilst adjacent is The Park Tennis Club with over 200 members, 5 all-weather courts, 3 artificial grass all-weather courts, a beautiful club house and qualified coaches.
