Key Features

An exceptional opportunity to acquire a stylish and spacious three-bedroom garden apartment within the prestigious Park Estate-one of Nottingham's most desirable and historic residential locations. Steeped in heritage and character, The Park offers a tranquil and exclusive environment while being just a short stroll from Nottingham city centre, with its vibrant array of shops, restaurants, cafes, bars, and cultural attractions.

Occupying part of the ground floor of an impressive period conversion, this elegant apartment seamlessly blends classic architectural features with modern comforts. A private entrance enhances the sense of exclusivity and leads into a welcoming hallway adorned with original detailing. Convenient access to a basement storage room offers a practical touch rarely found in similar properties.

Inside, the apartment boasts three generously sized double bedrooms, each benefitting from its own en-suite bath or shower room-an ideal arrangement for families, professional sharers, or accommodating guests in style. The spacious lounge is a standout feature, bathed in natural light from a large bay window that frames charming views of the garden, making it a perfect space for entertaining or relaxing.

The modern breakfast kitchen has been thoughtfully designed, offering a range of fitted units, granite countertops, and integrated appliances. A casual dining area adds versatility, while a door opens directly onto the private rear garden-mainly laid to lawn with well-kept borders, creating a serene spot for gardening, al fresco dining, or simply unwinding outdoors.

Adding to the property's appeal is a single garage situated directly opposite, providing either convenient parking or valuable additional storage.
