For Sale By Informal Tender

A parcel of land well situated for the amenities in and around the suburb of Lindley, and sitting strategically on the outskirts of this popular village. Amounting to around 1.7 acres (scaled off plan/pro map measured) and suitable for a variety of alternative projects subject to the appropriate consents. Pre planning reports have been undertaken and can be made available although we expect interested parties to make their own enquiries. We consider the site would lend itself to an apartment block and this is reflected in the pre planning reports although the frontage is located onto Birchencliffe Road opposite the locally well known Garden Centre and cafe so a potential commercial scheme cannot be ruled out (again subject to consents). The successful buyer will be required to make a contribution to The Charity's costs amounting to 1% of the purchase price upon exchange of contracts.

FOR SALE BY INFORMAL TENDER
