4 Mab Ha Broder Trewennack, Helston, TR13 0PQ

The quality of this new build property really catches your eye from the second you arrive. What really stands out is not only the size of the rooms but also the expanse of garden at the rear which is of excellent size. The layout flows very well, the wide entrance hall has storage and is light and airy having stairs leading to the first floor. The kitchen/diner offers a fantastic sociable space with French doors opening out onto the garden. French doors also open out to the garden from the cozy lounge.

The additional ground floor reception room is ideal as a study/play room or fifth bedroom if so required, perfect for guests as the cloakroom is nearby. Upstairs, having a large window on the half landing means that the light flows through. Four double bedrooms are on offer with the master having an en-suite. There is also a family bathroom. The garden is a blank canvass so ready for the imagination to go wild. The porcelain patio looks gorgeous and really finishes off the outside. The specification of this development is outstanding and one would hope that the discerning buyer recognises this. Offered for sale with no onward chain which is a real benefit in the current climate.
