3 Merther Close Sithney, TR13 0RW

CALLING ALL CASH BUYERS!!!! This three bedroom end of terraced house is located on a corner plot and is in need of some updating. However, with its larger than average plot size and potential to be transformed, it presents an exciting opportunity. Due to its construction we have been informed by our clients that the property is only suitable for cash buyers!! The living room is a great space to curl up in front of the TV and the separate kitchen and dining room provides a great social space. With the correct planning permission, this area could be opened up to one large room. Upstairs there are two large double bedrooms and a good size single and a low-maintenance shower room. The garden is what makes this property stand out and is split into three sections. To the front of the property, there is an area of lawn, whilst the middle section has a patio area and section of gravel making it a great space to socialise and low maintenance. To the rear of the property, there is a larger area of lawn with a large outbuilding which further benefits from fantastic countryside views.
