If you've longed to live in a beautiful period property in an idyllic Cornish hamlet then this could be your chance!

This unique home is immaculately presented throughout and oozes character and charm right the way through with sash windows complete with traditional window shutters, beamed ceilings downstairs and gorgeous exposed wooden vaulted ceilings upstairs. From the garden, step into the large kitchen/diner which is both stylish and practical with plenty of space for a dining table and chairs - a perfect space for entertaining family and friends. To the side of the kitchen is a small but very useful utility room so none of your precious kitchen space is wasted. Also on the ground floor is a spacious living room overlooking the garden. Head upstairs where you will find three bedrooms, the master is a good size, brimming with natural light and benefits from an ensuite shower room. The second bedroom is also a good size double whilst the third bedroom currently has a stud wall to create a walk in wardrobe and snug however this could easily be turned back into a single bedroom. Outside, the main garden is to the front and is immaculately maintained with a beautifully manicured lawn boarded by an array of plants and flowers. To the side there is a path leading to the rear of the property where there is a further area of garden which is part lawn and part concrete path backing onto woods - a peaceful spot to sit and read a book or relax and enjoy the quiet rural surroundings.
