Location

The most southerly village in Britain, The Lizard offers a wide range of day to day facilities to include a primary school, butchers and public house as well as a comprehensive range of shops and eateries, also within catchment for the extremely well regarded Mullion Secondary School which has been commended in the national press. Standing proud in the sea, The Lizard Peninsula presents a rugged face to the elements, yet paradoxically the climate is probably one of the warmest in Britain and home to rare and endangered plants as well as the unique metamorphic Serpentine rock that it is famous for; here the air is crisp, clear and unpolluted by industry. With The Lizard as a base one is perfectly placed to access all of the delights that South West Cornwall has to offer from stunning coastal walks along the dramatic cliffs of the Lizard Point to the beautiful nearby beaches including Coverack with it's crystal clear waters, the iconic Kynance Cove and traditional fisherman's cove at Cadgwith. Wider facilities are on offer in nearby Mullion and Helston with Helston offering two major supermarkets as well as a range of schooling options.
