This outstanding Victorian property, with superb living space and large landscaped garden, has been cleverly designed, extended and renovated in contemporary style to create an amazingly light, spacious and beautiful family home.

There is an emphasis on open plan living with the original double reception room fully opened into the entrance hall and an extended well-equipped kitchen providing plenty of space for dining. The addition of sky light windows and sliding doors to the garden make this a very appealing space to spend time with the family. Completing this floor is a handy Cloakroom/WC.

On the first floor are two generous double bedrooms, both with large windows and good built-in wardrobes. Alongside is a well-fitted and stylish family bath/shower room with separate bath and glass shower cubicle. The top floor loft has been extended creating a superb, large main bedroom with a generous ensuite shower room.

Tresco Road is a very popular and convenient residential street in the heart of Nunhead with its local independent shops on your door step. Nunhead train station provides overground connections to London Bridge, Blackfriars and the City with the green expanses of Peckham Rye just around the corner.
