Friary Road, SE15

These wide, bright, Georgian properties are built differently to the others in the local area, offering a superior layout in our opinion. With staircases running through the middle of the property, this allows for a brighter and more usable floor area all round. The ground floor of this property offers a spacious living room and good size modern eat-in kitchen with direct access to a large private garden, perfect for entertaining guests and offers tremendous extension potential STPP. Upstairs are two good size double bedrooms and family bathroom.
