Lanvanor Road, SE15

To the front, the two double bedrooms are generously-sized, both of which feature built in storage, the master benefitting plantation shutters. The shower room is sleek and modern with large walk in shower and modern black fittings.

To the rear the property has been thoughtfully extended, cleverly utilising the rear of the original garden rather than the side return, this layout ensures the living space flows effortlessly from the front to back and creates a wonderful space for entertaining. The Kitchen has plenty of matt-black units and integrated appliances yet still leaves space for a dining area which opens, through fully-folding glass doors to a superb, landscaped garden. The reception sits to the rear and benefits from lots of natural light from two large sky lights and a large picture window over looking the garden.
