A great opportunity to acquire this elevated, detached, double fronted two bedroom bungalow which is set in a prime residential location at Conway Road, enjoying delightful views across the rooftops to the light woodland of Tregonigie Woods.

The bungalow comes to the market for the first time in over 30 years and offers plenty of potential for new owners to customise, improve and even extend the property at the side. Remarkably so, the bungalow has still got the original fitted kitchen, bathroom, Delabole slate open fireplace in the sitting room and internal dark wood finish doors in place.

A degree of modernisation has taken place over the years with the installation of gas fired central heating by radiators (combi) and UPVC double glazed windows in most rooms and where stated.

The accommodation includes an L-shaped reception hall, lounge open plan to a dining area, kitchen, utility room, two double bedrooms and a bathroom/wc combined. Outside, there are open plan and simple lawned gardens, a timber garden shed and to the left hand side of the property, a long driveway.

A regular bus service takes you into Falmouth's bustling town centre where you will find an eclectic blend of independent and high street named retail outlets plus a great selection of restaurants from around the world, public houses, bars, the Poly Theatre, The Phoenix multi-screen cinema and at the far end of the town, The National Maritime Museum. Falmouth's famous sea front provides a level walk of some 3/4 mile commanding panoramic views from Pendennis Castle across to the horizon and The Lizard Peninsula in the West.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this property.

The bungalow sits on the top of a generous, terraced plot and at the front has a succession of terraces with granite retaining walls and a gently sloping lawn which runs the full width of the property. A new concrete pathway leads across the front elevations and crazy paved slate pathways either side take you past a lawned area to the right hand side, a drying area to the left and on the return side, some raised flowerbeds in need of cultivation. On the far side of the plot you will see a long driveway which is at present laid to grass and this could be turned into tandem parking for a number of vehicles and provide space for a garage (subject to the normal planning permission and building regulation approval).
