A fantastic opportunity to purchase this mid terrace older style terraced town house, close to the town centre, currently run as a four bedroom student letting property.

The property has been well maintained by the current owners and has been successfully let by our clients for several years. Currently let to four students until the 30th June 2024 with a Gross Turnover of £22,300 per annum.

The accommodation is well proportioned and in brief comprises; on the ground floor, a sitting room (bedroom four) and a kitchen/dining room. The first floor has two further double bedrooms and a bathroom whilst on the top floor is a bedroom with an en-suite shower room. The top floor enjoys elevated views across rooftops over to Falmouth Docks, across to Pendennis Castle and beyond.

The home enjoys a very convenient location, a short down hill walk into Falmouth's bustling town centre which offers a diverse mix of cafes, restaurants and public houses as well as its individual shops, galleries and high street chains. Events Square and the National Maritime Museum are close by and a longer walk will take you to the train station at Falmouth Docks, The Dell and Penmere linking to Truro and the mainline route to London Paddington.
