A great opportunity to purchase this ground floor apartment situated on the corner of Brook Street just moments from The Moor and a short walk to Falmouth's high street and town centre.

This well proportioned apartment is in need of modernisation and so gives buyers the chance to put their own mark on the property and personalise to their own taste.

The accommodation in brief comprises; a double bedroom with built-in wardrobes, sitting/dining room, kitchen and bathroom/wet room. Outside, at the rear of the block, the property has its own designated parking space, a real benefit for its location near the centre.

The development is just moments away from a convenience store on the opposite corner and an easy walk down Berkeley Vale onto The Moor and from here, a gentle walk takes you into Falmouth's town centre which offers a wide range of independent high street shops and an eclectic mix of cafes, bars, public houses and a multi screen cinema. At the end of town is Events Square which is home to the National Maritime Museum. Pendennis Castle, Falmouth's famous level sea front, Castle and Gyllyngvase Beaches are all easily accessible. There are great transport links by road with a regular bus service leaving from The Moor and a branch line railway station that runs from Falmouth Docks to the cathedral city of Truro, stopping at Penmere Station at the top of the town.

As the vendors sole agents, we highly recommend an early appointment to view.
