This older style, double fronted, three bedroom semi-detached chalet style home is set in one of Falmouth's favourite locations at Kings Avenue and is conveniently placed close to local amenities, the branch line station at Penmere Halt and a longer stroll to local schooling, Falmouth's famous sea front and beaches.

The house has just been refreshed with neutral redecoration both inside and the exterior and still offers potential new owners the opportunity to create a home to their own taste and requirements. The property has features including gas fired central heating by radiators, a combination of double glazed windows and doors (where stated) and fitted floor coverings throughout.

The accommodation in sequence includes a reception hall, sitting room, separate dining room, a fitted kitchen, a ground floor wet room/wc and the third bedroom. A staircase from the reception hall takes you to the first floor landing where you will find two double bedrooms (making three in total). Set on a level, generous plot with wide front gardens and a lawn to the side and a gateway taking you into a generous rear garden with further lawns and patio, a detached garage and parking for two/three cars can be approached via a rear service lane.

The property is being sold with 'no onward chain' and has the benefit of a clear Mundic Block Test (Class A2) on the 14th September 2024 making this eminently suitable for mortgage lending purposes. A copy is here at our office for your perusal.

As our clients sole agents, we thoroughly recommend an immediate viewing to secure this desirable home.
