A great opportunity to own this unusual two-storey, two bedroom maisonette that is set in a fabulous, elevated location on Stratton Terrace, enjoying splendid views across the Penryn River to Flushing and the surrounding countryside, giving you the chance to walk along the waterside, past the Greenbank Hotel and The Royal Cornwall Yacht Club into the upper high street and Falmouth.

The apartment forms part of a conversion from a larger period home with 8 dwellings in this development which is well maintained and set in managed, well stocked gardens to the front of the building. In our opinion the property is considered ideal as a permanent of second home or maybe a useful addition to an investors property portfolio using the property as a holiday let or a longer term shorthold tenancy. The apartment has retained many character features including the original pillared entrance way and front door, ornate internal doors with matching architraves and high skirting boards on the ground floor level.

Features include independent electric heating, UPVC double glazed windows and fitted carpets and floor coverings throughout the property.

The spacious accommodation includes; an impressive large reception hall with staircase leading to the lower ground floor, a dual aspect sitting room enjoying superb water and country views, fitted kitchen/dining room with some appliances included and a shower room on the ground floor. A staircase from the reception hall leads down to the lower ground floor hall and access to a pair of double bedrooms.

Outside the property the communal well tended gardens sit to the front of the property with extensive lawns enclosed by hedging and flowerbeds. A picnic bench and table sit in the middle of the garden making this the perfect spot to enjoy alfresco dining or simply look at the stunning views across the river to the harbour. There is a pathway either side of the garden which leads down to Stratton Terrace.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this delightful property.
