This well presented middle floor two bedroom apartment is set in a popular residential location at Penwerris Lane within easy reach of the town centre and enjoying superb water views across the Penryn river towards Flushing.

Our client bought the apartment through our agency almost twenty eight years ago and during that time it has been a comfortable and convenient home and latterly in recent years, a great investment with the writer having stayed there recently for nearly three years.

The apartment has been decorated in neutral tones and still offers plenty of potential for new owners to create and customise the property to their own needs and requirements. The property has features including UPVC double glazed windows and front door, gas central heating by radiators, fitted carpets and laminate floor to the principal areas.

The accommodation includes a reception hall, two double bedrooms, a large open plan lounge/dining room with superb views across the river, a fitted kitchen again with water views and a bathroom/wc combined. At the front of the apartment there is a paved courtyard, exclusively for your own use. The apartment has an allocated parking space and there are a further four guest parking spaces for visitors.

The apartment is ideally placed and within walking distance of Penwerris Post Office and Stores, local fish and chip shop and barbers and just a further walk from Falmouth's bustling town centre in one direction and downhill to Sainsbury's Lidl and Falmouth Marina.

As the owner's sole agents, we strongly recommend an immediate viewing to secure this apartment.
