We are delighted to offer to bring this substantial four bedroom semi-detached house to the market for the very first time since 2004 when our clients purchased the property throughout our agency with the property being set in a cul-de-sac on the outer fringes of Falmouth.

The house has been extended on the ground floor and improved over the years by our vendors making this a perfect destination for a growing family looking for extra space at a competitive price.

Plenty of features await new owners including gas fired central heating by radiators, UPVC double glazed windows and doors, a re-fitted kitchen/dining room with appliances and a combination of hard wearing floor coverings and carpets throughout.

The spacious accommodation on the ground floor includes an entrance porch, reception hall, large bedroom four (formerly the garage), a sitting room, a generous well fitted kitchen/dining room with a door leading to a large utility room and a second door from the kitchen leading to a dining room backing onto the rear gardens. The first floor has three bedrooms and a re-modelled bathroom/wc in white. Outside the property there are compact front gardens, driveway parking for one vehicle and at the rear, delightful well stocked gardens with patio areas and a selection of garden sheds and a workshop.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this property.
