A detached one bedroom park home that is being offered for sale at a very competitive level with no onward chain.

The residence sits on a level plot within the very desirable retirement site known as Cosawes Park which is conveniently located between the port of Falmouth and the Cathedral city of Truro.

The property benefits from a mature garden with a good degree of privacy and off road parking to the front. Please be advised that this particular park home does require updating to reach it's full potential. Although the property itself could benefit from updating with items such as a new kitchen and floorings, it offers good value for money for a residential property that you can live in all year around.

The property benefits from UPVC double glazing and LPG gas central heating (not tested).

The accommodation in brief comprises of an entrance hallway, open plan kitchen/lounge area with UPVC bay window, fitted kitchen and a double bedroom with an ensuite shower room. Outside the property sits on a pleasant, level mature plot that offers a good degree of privacy with mature plants, shrubs, decking areas and further area to the rear with a garden shed. To the front of the property is a off road parking space.

Cosawes Park is award winning park home development set in a superb wooded valley of 100 acres and is widely considered to be one of the premier locations in this part of Cornwall. Ideally placed between the popular harbourside town of Falmouth and the Cathedral city of Truro, whilst being within easy reach of local amenities, Perranwell Station and Carnon Downs.

As the vendors sole agents we would recommend an internal viewing.
