We are delighted to offer as our returning client's sole agents, this charming Grade II listed two bedroom granite town cottage which is set in the heart of a conservation area in West Street, facing down Calver Close within a couple of minutes' walk into the town centre

The cottage has been extensively renovated in the past five years, combining an eclectic blend of character features and modern day living, making this a home anyone would be proud to own.

Packed with plenty of features including a new slate roof in 2015, gas fired central heating by radiators (new boiler, some four years ago), a new kitchen with appliances, a remodelled bathroom, original Victorian cast iron fireplaces, a wealth of natural woodwork, picture rails and panelled internal doors.

The well-proportioned and spacious accommodation includes a reception hall, sitting room, dining room, an L-shaped refitted kitchen, two double bedrooms on the first floor and luxurious shower room/wc combined. Outside the property, at the rear there is a small courtyard and granite steps leading to an enclosed tiered garden with two levels which enjoys a sunny southerly aspect where you can relax and entertain your family and friends.

The property is located within walking distance of Penryn town centre and also the railway station with its branch line linking Falmouth to the cathedral city of Truro and onto London Paddington. Penryn is a great historic market town where there is a great community with a selection of shops, restaurants, public houses, and surgeries. The town also has football, rugby and cricket clubs along with Penryn College, Penryn Primary Academy and Falmouth University (Tremough Campus). The town offers good transport links with a regular bus service and the train station as previously mentioned. The bustling town of Falmouth is within two miles.

An early viewing is highly recommended to secure this fine property.
