STEPHENSON BROWNE

Welcome to the 'The Little School House'. This unique and beautifully presented Grade II listed town house dates back to circa 1850 and is nestled into a beautiful spot, tucked away in the heart of Sandbach town centre, residing next to the acclaimed Old Hall just off Sandbach High Street.

Property Details

Featuring excellent presentation and quirky features throughout, this delightful cottage offers a rare opportunity to purchase a stunning piece of Sandbach history. Since purchasing in 2017, our vendors have carried out a comprehensive schedule of works to include all new radiators, a damp proof course and full re-wiring, among many other works and enhancements.

Opening from a central entrance hallway, the downstairs features a generously sized dual aspect lounge with renovated original pine wooden floor, stunning high ceilings, an Esse wood burning stove and a large under-stairs storage cupboard. A three piece downstairs shower room is accessed via a sliding door off the lounge.

The property hosts two kitchens on the ground floor, dubbed the 'Winter' and 'Summer' kitchens. The 'Winter Kitchen', found to the right of the hallway hosts a high quality range of units with granite worktops, a two oven electric Aga, integrated dishwasher, Belfast sink and corner seating pew, separate external access to the garden, tiled flooring which runs through to the entrance hallway. The summer kitchen at the end of the hallway also features a high quality fully fitted kitchen, encompassing granite worktops, a Belfast sink, integral Fridge Freezer, integral washing machine and a Bosch oven and cooking hob. Original brick laid flooring.

To the upstairs, there are two bedrooms, with the principal bedroom being a generous double room with dual aspect windows, an original cast iron ornamental fire surround behind a roll top bath with feature chandelier light above. The secondary bedroom features a useful over-stairs storage recess. High specification, three piece upstairs shower room with rainfall shower head and separate mixer shower. The spacious landing also provides the perfect spot for a home office, large bookcase or reading nook.

Many of the windows also feature secondary glazing to improve energy efficiency and heating, while retaining the characterful original windows in keeping with the listing. The original doors have also been retained as a wonderful period feature.

Externally, the residence benefits from a generously sized garden which serves as the perfect suntrap, laid mostly to lawn with patio paving, a plethora of mature and established plants and shrubbery, further to a wooden summerhouse. Gated access to the side leads to the off road parking suitable for two cars.

Beautiful character features throughout, including cornices and ceiling roses.

The property is heated via a gas fired combination Worcester boiler, located in the winter kitchen. The property also features an intruder alarm system.

Offered for sale with the benefit of no onwards vendor chain.

An absolute must view to fully appreciate.
