2 Mill Green, Caversham, Reading RG4 8EX

DESCRIPTION / LOCATION: A semi-detached house in a quiet backwater on the outskirts of Caversham and particularly well placed for the nearby Lakes and a short distance across Reading Bridge to the railway station and the town centre beyond. Access is from Mill Road.

The house has been in the same family for many years and is now in need of considerable expenditure to achieve modern standards and expectations. The other half of the semi has been extended including into the roof space and a similar opportunity may well exist. With a wide plot, there may also be the potential for additional development, perhaps by way of extension on the side garden.

Caversham is a very popular place to live, with a good range of shops in Prospect Street and Church Street including Waitrose and a little further is Reading Town Centre. Just to the north of Caversham there is lovely countryside with the A4074 providing easy access to Oxford.

* Property Auctioneers are required by the ASA to explain to prospective buyers the definitions of Price Guide and Reserve. The Reserve is the minimum price set by the seller at which the auctioneer can sell the property. The reserve can be set and agreed at any point up to the start of the auction or indeed can be changed during the auction. The reserve can be lower than the guide price, the same as the guide price or up to 10% above the guide price. In accordance with ASA guidelines the guide price can be changed at any time up to and including the day of the auction sale. If the guide price is changed, we will endeavour to advertise the new guide price at the earliest opportunity. A list of final guide prices will be published in the auction room immediately prior to the sale. This may be the first opportunity to publish changes.
