Looks can be deceiving – this attractive bay-fronted 1930s property has been extended considerably to offer spacious and modern living. The large open-plan kitchen, dining and family room at the back has two sets of bi-fold doors opening onto the gardens, underfloor heating and provision to separate into two rooms if desired. All the main rooms have data points, the property is double glazed and has gas radiator central heating.

The property lies within the catchment of popular primary and secondary schools and there are good amenities nearby at Woodley and Lower Earley. In one direction lies the market town of Wokingham, with Reading in the opposite direction, both offering a wide range of leisure and retail facilities, railway stations with Reading providing services on the Elizabeth Line.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away.
