A two-storey detached house constructed by Gough Cooper with a small extension to the rear of the garage. Many properties of this style have been extended further, so it may well be that similar potential exists, subject to necessary consents.

This is a sought-after position in the catchments of highly regarded schools and not far from good local amenities.

There are bus services in the area providing access into Reading town centre, where the main line railway station provides services on the Elizabeth line, to Paddington, and to Waterloo which run through the nearby Earley Railway Station.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away.
