This property has been lovingly restored by the current owner leaving just some cosmetic works to be finished and to the new owner's taste. The cottage is surprisingly spacious with a lounge, snug/dining room, kitchen, utility, outer utility and a shower room on the ground floor. The dining room has stairs that take you to the two bedrooms, both of which have views across fields and out to sea. In addition to the charming features, exposed beams, curved walls, are 2 cosy wood burners, garden, parking and a garage.
