Tucked away at the quiet end of a charming cobbled mews in Marylebone, this four-bedroom freehold house offers over 2,100 sq ft of thoughtfully arranged accommodation, private parking, and quality finishes throughout.

Entered at raised ground level, the hallway leads down to a versatile lower ground floor currently set up as a cinema room, with a guest WC and separate utility room.

The ground floor provides a well-proportioned living room and a smart kitchen/diner with direct internal access to the garage.

On the first floor is the principal bedroom with en-suite bathroom featuring a built-in steam room, a fourth bedroom, and a separate wet room. The top floor contains two further double bedrooms, each with its own en-suite, offering comfort and privacy for family or guests.

With windows front and back on every level, the house is naturally bright and well-ventilated. Its handsome exterior, freehold status and flexible layout make it an excellent long-term option in one of Central London's most sought-after locations.
