

**5 Balham Walk,
Derby, DE22 4FH**

Situated in a very nice location away from the road overlooking green open space within a short stroll of local amenities and bus links. The property has been extended to the left hand side, so is now a very good size indeed. There is a combination boiler fuelling the central heating and hot water, plus UPVC double glazed windows throughout. The spacious sitting room is dual aspect with a view of the green at the front and also one of the garden at the rear, plus there is a good size dining room and roomy kitchen which again has a dual aspect. To the ground floor is a WC off the hallway, whilst on the first floor are three good size bedrooms and a recently fitted wet room. The garden is private and spacious and there is parking within 20 yards of the property. This is an ideal opportunity to acquire a superb family home in a serviceable condition, however it does require a scheme of modernisation to meet it's full potential.
