

96a The Ridings, Ockbrook Derby, DE72 3SF

Stunning contemporary five bedroom executive home situated in the popular village of Ockbrook with open fields to the rear. This is a superb property which was constructed by the current owner to an exacting standard. The quality of build can be seen throughout, with beautiful bathrooms, including three en-suite shower rooms and a stylish modern kitchen with Neff appliances, quartz worksurfaces and full height patio door to the rear. The property has a surprisingly low energy consumption, utilising a network of low voltage led lighting and having underfloor heating fueled via an air source heat pump with integrated roof solar panels. The first floor is constructed of block and beam, ideal for the hydronic heating system and sturdy enough to accommodate a gymnasium, music room or the like. There is also a pre installed media network throughout, a wonderful first floor balcony from which to enjoy the view and a large integral garage with access to a separate workshop, which has potential to become an office is required.

£1,099,000

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is B. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

Score	Energy rating	Current	Potential
92+	A		
81-91	B	82 B	88 B
69-80	C		
55-68	D		
39-54	E		
21-38	F		
1-20	G		

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60
