If you are looking to downsize, like the idea of single storey living and want to be only a short distance from the centre of town, then look no further as this semi detached bungalow could be perfect for you. The property has been owned by the same family since it was built but the time has now come for someone new to come in and inject their own style and flair. The property is offered to the market with No Onward Chain and has recently been re-wired, so an early viewing is highly recommended to fully appreciate everything that it has to offer.

The kitchen is located at the rear of the property and comprises L shaped worktop, stainless steel sink with drainer, freestanding oven with four ring hob over, various storage units and space for white goods. A door gives access to the rear garden.

The living room is a good size with a large window to the front that allows natural light to fill the room. There is a gas fire at the centre of the room perfect for the colder winter months.

There are two double bedrooms, one of which has a full wall of fitted wardrobes and drawers. A family bathroom comprising bath, pedestal hand basin and a low level w/c completes the internal accommodation.

Externally the rear garden is mainly laid to lawn with a path running to its side. There is raised decked seating area at the rear, perfect for enjoying the sun in the summer months. The garden is almost fully enclosed so is perfect if you have young children or pets. There is a sizable detached garage with an electric roller door, large enough for both a car and storage, and a driveway which provides additional off street parking. A large patio seating area to the front completes the property.
