We offer this rare opportunity to acquire this magnificent and impressive detached family home set in this prominent location in grounds of approximately 1.5 Acres.

The property offers large 5 bedroom accommodation as a true bungalow, which obviously leaves scope for the possible development of the large roof void for further accommodation should this be required.

The property also benefits from a fantastic semi-rural location with magnificent open westerly facing views across open countryside to the rear, yet less than a mile from the well served village of Copmanthorpe and a little over 4 miles to the city centre itself.

The current owners have had sketches drawn and submitted a Pre App for the redevelopment of the site to provide a new contemporary luxury home.

Whether in its current format or via redevelopment this property, along with the acre and a half of plot offers an opportunity for a very special family home.
