A most unique Georgian grade 2 listed detached cruciform cottage constructed in the mid 1800's having been the former stock keepers cottage for York Knavesmire.

The property sits in a large plot with gardens to four sides and boasts an attractive gabled construction retaining a wealth of original features. The rear and side of the property overlooks the expanse of York Knavesmire which is an incredible outlook given the proximity to the city centre and railway station.

The property is in need of a scheme of modernisation and refurbishment. This gives the successful purchaser the opportunity to create a most individual home. The property is sold with a user clause restricting to private/main residence. ie, can not be used as a holiday let.
