A tastefully refurbished and restored garden fronted Victorian terrace of generous proportions situated in this sought after location, practically a stones throw away from a range of local shops and amenities on Bishopthorpe Road.

The property offers large family living accommodation with four bedrooms, two reception rooms plus a separate dining room, first floor bathroom and an additional WC with stained glass window, as well as a large basement and attractive rear yard. The property comes with the added benefit of a small brick garage and access to the rear, so seldom found in properties of this type in York.

The restoration of the property has retained and enhanced many of the original features with superb fireplaces, ceiling mouldings and floors, yet provides all the modern luxuries you would hope for in a family home.

We would recommend an early inspection as we believe that this is one of the best examples of its type currently on the market
