A unique and beautifully enhanced detached home in Gate Helmsley.

This is a rare opportunity to purchase a truly individual four-bedroom detached home, originally constructed over 20 years ago using reclaimed materials from the former farm buildings that once stood on the site. Recently extended and further improved, the property now boasts a stunning fourth bedroom with en-suite and additional versatile living space.

Located in the sought-after village of Gate Helmsley, just 7 miles east of York and 1.5 miles from Stamford Bridge, the property enjoys easy access to a wide range of local amenities, including shops, pubs, and cafes, as well as a charming village pub on the doorstep.

The accommodation briefly comprises an entrance hallway leading to two front reception rooms a cosy sitting room and spacious living room with log burning stoves in each and sliding doors opening onto a raised patio, complete with an artisan steel and wood pergola. A second hallway gives access to a utility room, ground floor WC, and the beautifully renovated kitchen with central island, underfloor heating, and views over the central courtyard and gardens. The impressive new extension provides a third reception room or formal dining area with a wood burning stove, underfloor heating and a full-height wall of sliding glass doors opening onto a lower patio.

Upstairs, the original layout includes two double bedrooms to the front – one with an en-suite – a stylish central bathroom with skylight, and the original master bedroom featuring a Juliet balcony. A recent addition to the rear of the property is a fourth double bedroom with its own en-suite and private staircase, offering an ideal guest suite or teenager's retreat.

Outside, the property wraps around a central lawned garden in an attractive L-shape. The landscaped outdoor spaces include two distinct patio areas, perfect for entertaining or relaxing, as well as a modernised garage/workshop and driveway providing ample parking.
