A large traditional semi detached family house set in this sought after and desirable location, a short walk from Heslington village.

The property enjoys a superb aspect to the front, overlooking woodland as well as a large mature rear garden. these are just a two of the factors that make Windmill Lane such a desirable address. This is a rare property in as much as it one of the few properties in this area that has not yet been extended to make full use of the plot.

This lovely home is offered in its original three bedroomed format with an open plan kitchen. There is plenty of space to both the side and rear of the property for extension, subject of course to usual planning permissions being granted.
