Offers Over £290,000

Nestled to the west of York, this spacious three-bedroom semi-detached property presents an exciting opportunity for the next owners to reimagine and update the home to suit their personal needs and style. The Paddock is a peaceful residential cul-de-sac, ideally situated just a short stroll from a wide range of local amenities, while offering convenient access to York city centre and excellent commuter links.

Having served as a much-loved family home, the property now offers scope for modernisation throughout. The entrance hall leads into a kitchen positioned to the right, fitted with a range of wall and base units and benefiting from a side access door to the outside. The ground floor has been extended to create a generous open-plan living and dining area, with a large window and a rear door offering lovely views and direct access to the expansive garden.

To the first floor are three well-proportioned bedrooms, two generous doubles and a third room ideal as a nursery, study, or home office. The rear-facing bedrooms enjoy delightful views across the garden, further highlighting the home's wonderful setting. A house bathroom complete the floor.

Externally, the property continues to impress. A driveway to the front provides off-street parking for multiple vehicles and access to the garage. The rear garden is truly exceptional in size, substantially larger than others in the area, and offers immense potential for outdoor living, landscaping, or extension of the property (subject to the necessary planning permissions). This vast space opens up endless possibilities for those seeking to create their dream family home.

A viewing is highly recommended to fully appreciate the outstanding potential, generous plot, and prime location this home has to offer.
