£425,000

Located in the popular residential area of Huntington, conveniently positioned for access to York city centre, the train station and well-regarded local schools, this well-presented traditional three-bedroom semi-detached home offers excellent potential for a growing family. Set on a generous plot, the property also presents scope for extension, subject to the necessary planning consents.

The accommodation opens with a welcoming entrance hall which leads through to two separate reception rooms, both featuring large windows that allow plenty of natural light to flow throughout the ground floor. To the rear is the fitted kitchen, offering a good range of wall and base units and overlooking the garden, while a convenient ground floor WC completes the layout.

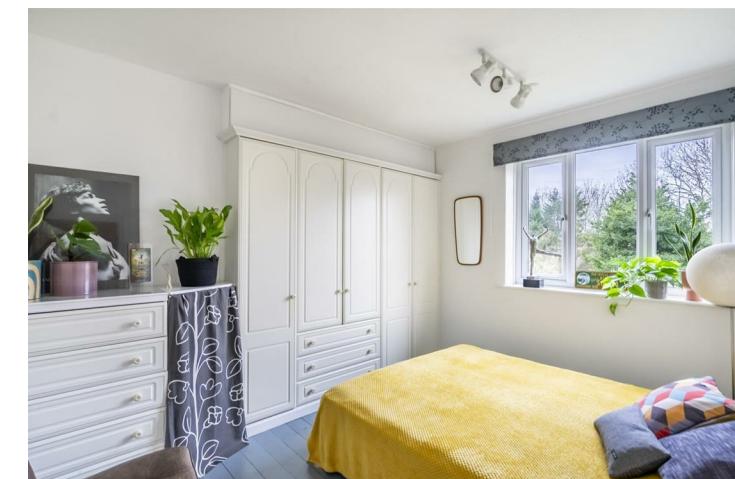

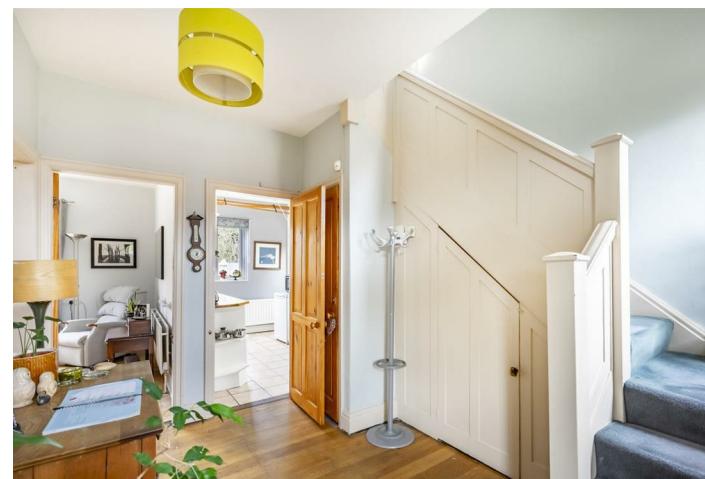

To the first floor are three well-proportioned bedrooms, two of which benefit from built-in storage, along with a three-piece bathroom and a separate WC.

Outside, the property enjoys a generous north-westerly facing rear garden, ideal for enjoying the afternoon and evening sun. The garden is mainly laid to lawn with a patio seating area, mature planting and established trees providing a good degree of privacy, along with a useful shed for additional storage.

Properties in this attractive position, with gardens running down towards the river, are rarely available and early viewing is highly recommended.
