- Block Wood Effect Work Surfaces
- Versatile Accommodation
- Adjacent To the Duke of Bedford's Woodland
- Viewing By Appointment Only

Set on approximately one acre is this modern four bedroom detached bungalow offering versatile living accommodation. The beautiful leafy plot offers a picturesque setting adjacent to the Duke of Bedfords woodland just to the top of Aspley Heath. Offered for sale with no above chain.

You enter the grounds through double gates to the driveway leading up to the bungalow, garden office and double carport, along with the extensive landscaped gardens laid principally to lawn with mature shrubs, trees, hedges, beds and borders.

The property itself is entered from the porch into the main hallway with doors leading to all accommodation. There is a modern open plan kitchen, dining and lounge area with dual aspect windows and double doors, allowing natural light to flood in. The master bedroom has fitted wardrobes and an en-suite with a walk-in shower. There is a family bathroom and three further double bedrooms, one could be used as a snug with double doors opening to the grounds.

From the main driveway is the garden office with two sets of double doors and a utility area, power and light is connected. To the side of the office is a double carport.

Agents note: The western side of the garden is currently rented on an annual basis from the Woburn Estate.

Aspley Heath is situated on the edge of the Woburn Estate and has direct access to the Heath itself where countryside walks and other outdoor activities can be pursued. Local shops can be found in the nearby small town of Woburn Sands along with restaurants and pubs. Local schooling is of a high standard with both the Primary and Extended Secondary schools. Private schooling is available at the Harpur Trust Schools in Bedford, Swanbourne and Stowe. The city of Milton Keynes is just a short drive away with its large shopping centre and wide range of leisure facilities.

Ground Floor Building 1

Approximate total area<sup>(1)</sup>

1795.56 ft<sup>2</sup>

166.81 m<sup>2</sup>

Ground Floor Building 2
