£250,000

Deceptive in size, this charming double bay fronted Victorian house (formally the old Co-Op) offers circa 2,200 square feet of accommodation, a 23ft x 17ft garage/workshop with inspection pit and off road parking. The property would make a spacious family home and comes with semi-commercial use and a HMO certificate.

Accommodation comprises entrance hall with access to a converted basement room with central heating and log burner, 16ft square kitchen/diner, garden room, utility cupboard, WC, inner hall, sitting room and shower room. The spacious first floor landing gives access to three double bedrooms and 16ft four-piece bathroom. To the second floor is a kitchenette with seating area, family room/fourth bedroom, office/fifth bedroom and a further shower room. To the rear is a garage, off road parking and a courtyard garden.
