WELCOME TO GATE STREET! This stunning Three Bedroom Georgian Grade II listed home has been tastefully modernised to create the perfect mix of old and new. The original dwelling is believed to date back to the 1750's being constructed by Local Master Carpenter Matthew Hall. An extension was added to the rear in the early 19th Century with the addition undertaken to add value to the property prior to the Hall family deciding to sell the cottages which had previously been rented out. So much of this home's history was uncovered and researched during major refurbishment works in 2019 (including the extensive work to the timber frame and sole plate replacement along with the addition of new lath and plaster using traditional methods and materials) this allowed its intriguing history to be uncovered while being preserved for future generations.

Accommodation of this delightful home currently comprises Three First Floor Bedrooms, which are serviced by re-fitted Shower Room upgraded by the current seller. To the First Floor, there are two feature brick fireplaces one on the landing and one in Bedroom 1.

The extensive Ground Floor benefits from under-floor heating and upon entering you are greeted by two reception areas which are semi-open plan separated by exposed timber frame and could be arranged to suit the occupants' needs. One is currently arranged as a Living Room and boasts a feature fireplace with log burner leading into the Dining Room. The remainder of the Ground Floor is occupied by a Shower Room and extended Bespoke Kitchen/Breakfast Room with high quality fitted appliances and Italian tiled floor.

Double doors lead from the Kitchen to the Private, paved Courtyard Garden which is the perfect space for summertime entertaining. The property also benefits from Parking to the rear. EPC: C, Council Tax: C.
