****NO ONWARD CHAIN**** Set within one of Burnham's most favoured central locations, just off the historic High Street and therefore within walking distance of the banks of the River Crouch, Burnham's mainline railway station which offers direct links into London Liverpool Street and yacht & sailing clubs as well as an array of shops, pubs and restaurants, is this well presented and deceptively spacious three storey town house. The property offers generously sized living accommodation throughout with the ground floor enjoying an impressive living/dining room opening to a modern kitchen with integrated appliances and cloakroom. The remaining accommodation is then spread over two further floors comprising three well proportioned double bedrooms in addition to a family shower room, en-suite to the master bedroom and dressing room. Externally, the property enjoys a secluded and well presented rear garden while the frontage offers off road parking for two vehicles. Properties of this ilk in this most favoured location are rare to the market so an early inspection is advised to avoid disappointment. Energy Rating C.

BURNHAM-ON-CROUCH:

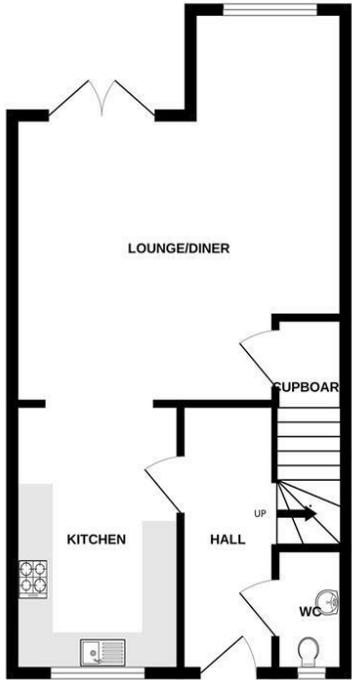

Burnham-on-Crouch is a picturesque town on the banks

of the River Crouch, a renowned yachting and sailing centre hosting the famous 'Burnham Week' at the end of August. The town has a population of a little over 9,500 and is the principal settlement in the Dengie peninsula. Consequently it boasts many amenities that are uncommon in small towns including two primary schools and an academy secondary school, cinema, Burnham yacht harbour/marina, several boatyards, three yacht clubs (including the Royal Corinthian & Royal Burnham), two supermarkets and numerous individual shops, public houses and restaurants. There is a railway station on the Southminster branch line with direct commuter trains into London Liverpool Street (at peak times). The Burnham-on-Crouch Golf Club, founded in 1923, is situated in Creeksea on the outskirts of Burnham and enjoys breathtaking views over the Crouch Valley and River Crouch.
