Having been reconfigured, improved and well maintained by the present owners, is this deceptively spacious semi-detached family home offering generously sized living accommodation throughout. The property is located in a sought after position set back from the road and within walking distance to Southminster's railway station & High Street and benefits from an impressively sized rear garden with parking and access to a garage (currently rented) adjacent. Living space commences with an entrance hall leading to a cloakroom/WC and living/dining room which in turn opens to refitted kitchen with adjoining utility/conservatory. Externally, the property enjoys a rear garden measuring approx. 60' while off road parking has been created to the side with a driveway for two vehicles. Additionally, the current owners rent a garage which neighbours the property to the side and it is our understanding that this agreement should be able to be passed on to any new owner of the property. Viewing is strongly advised to avoid disappointment. Energy Rating TBC.
