Having been improved and wonderfully maintained by the present owner, is this individual detached residence offering deceptively spacious living accommodation which quite simply must be viewed to fully appreciate the versatility and size on offer. The property is situated in the heart of the waterside village of St Lawrence Bay with its famous sailing and water sports clubs situated on the banks of the River Blackwater all within walking distance. The extended accommodation comprises four light and airy double bedrooms with en suite to the main bedroom, re fitted family bathroom and large landing area to the first floor whilst the ground floor offers an inviting entrance hall leading to a shower room, living room, study/play room, dining room and kitchen/breakfast room with adjoining utility room. Externally, the property enjoys an attractive rear garden with outbuilding/store shed while ample off road parking is on offer to both the front of the property and an additional independent vehicular access from Seaway at the back of the garden which provides further parking/access for a garage if required and subject to planning approval. The property is truly a one off and we encourage viewing at your earliest convenience to avoid any disappointment. Energy Rating D.
