****NO ONWARD CHAIN**** On the market for only the second time in 35 years, is this deceptively spacious and superbly presented detached property positioned favourably down a private lane in the heart of the ever sought after and picturesque semi-rural village of Tillingham. This quirky and individual home was converted to residential living 33 years ago and to maximise natural light and the available space, most of the property is open plan - ideal for modern living. The home also has further potential to reconfigure and separate the spaces in order to create a separate lounge to the kitchen/diner, and the potential for a second bedroom on the first floor. Externally, the property enjoys a private, quiet courtyard which serves as a perfect space for a summer seating or entertaining area but can also be used as off road parking if required being accessible from the front. Tillingham is a quaint village in the heart of the Essex Countryside. The picturesque setting is the image of a quintessential British Village, featuring a Village Green with a Church and two traditional Public Houses. Other amenities in Tillingham include a local shop with Post Office, Cricket Club, Bowls Club, Village Hall, and Primary School. The neighbouring towns of Burnham-on-Crouch and Southminster are both a short drive away and offer a large selection of amenities, schools and railway stations with direct links into London Liverpool Street. Viewing is strongly advised. Energy Rating E.
