Available for only the second time in 35 years, this deceptively spacious and beautifully presented detached home is tucked away along a private lane in the heart of the picturesque and ever-sought-after village of Tillingham.

Originally converted to residential use 33 years ago, this unique and characterful property offers a bright, open-plan layout designed to maximise natural light and space — perfectly suited to modern living. The flexible interior also presents exciting scope to reconfigure the accommodation, creating a separate lounge from the kitchen/diner or even adding a second first-floor bedroom if desired.

Outside, the home enjoys a peaceful and private courtyard, ideal for relaxing or entertaining during the warmer months. The courtyard also provides off-road parking, with access available directly from the front of the property.

The nearby towns of Burnham-on-Crouch and Southminster are only a short drive away, offering a wider range of shops, schools, and railway stations providing direct links into London Liverpool Street.
