The property is approached via a long driveway. There is ample parking leading to an attached large garage. First impressions of Keramos are formed on entering the 'Prime Oak' entrance porch, with the original Oak front door opening to a large Reception Hall with Travertine tiled floor, giving way to a solid oak floor. Original features to note in this area are the restored internal doors with feature door plates. All rooms lead off this area with a formal Drawing Room with newly fitted bespoke 'Johnson & Son's display shelving/media unit and an impressive orial bay window overlooking the grounds, as well a marble surround with slate insert open fireplace. The second reception room is a double aspect Sitting Room with wood flooring and open fireplace, currently used as a Playroom but would be ideal for a home office .
