Tucked away in a quiet walkway in the ever-popular Queens Park Development, this three-bedroom, semi-detached family home offers a perfect blend of comfort and convenience. Upon entry, a spacious hallway leads to the lounge, providing ample space for a three-seater sofa and additional furniture. The modern kitchen/dining room follows, featuring integrated appliances such as a fridge, freezer, dishwasher, washing machine, oven, and hob, along with ample space for a six-seater table. On the first floor, you'll find three bedrooms, all with built-in storage. Bedrooms one and two are doubles, while bedroom three is a good-sized single. The landing includes an airing cupboard, access to the loft, and entry to the family bathroom, which comprises a three-piece white suite. The real highlight of this home is the southwest-facing garden, measuring 71 ft x 70 ft at its widest points. It commences with a patio area and extends to a large lawn thereafter, offering plenty of space for an extension (subject to planning) or simply enjoying the expansive outdoor area. The garden also provides direct access to the garage, located in a block, and the parking spaces beyond.
