There is also a ground-floor cloakroom and access to the integral garage. Upstairs, the property offers three good-sized bedrooms - all with built-in wardrobes - and a modern family bathroom that has been refitted relatively recently. The landing also benefits from a large, spacious airing cupboard providing excellent storage. Externally, the home enjoys a private, well-established west-facing garden with mature planting, gravel pathways, and feature borders - ideal for those seeking a low-maintenance outdoor space. A private driveway provides off-street parking for three cars. The property is currently heated via a warm air heating system, which will require replacement. While the property does require full modernisation, it presents an exciting opportunity to add value and tailor the space to personal taste. Situated within the catchment areas for the highly regarded Buttsbury Junior School and Mayflower High School, and within easy reach of Billericay High Street and train station, this home combines excellent potential with an unbeatable location.
