Entrance Courtyard

The courtyard is accessed via a pedestrian gate from the parking area. There are retained beds and borders with established planting creating privacy and providing an inviting approach to the front door. There is a large block paved patio area and a walk way to each side of the property allowing access down to the rear garden.

Rear Garden

The generous and extremely private Westerly facing rear garden makes the most of the late afternoon sun and spectacular sunsets! There are gentle steps down from the entrance courtyard past raised sleeper beds opening out to the expansive lawn and gravel seating area.

Rear Aspect

Parking & Garage

The property benefits from a good sized driveway providing off road parking for multiple vehicles and access to the detached single garage. The garage has an up and over door, power and light. There is the potential for more off road parking (STPP) by taking away some of the courtyard located to the front and side of the property.
