

25 Wartnaby Street, Market Harborough, LE16 9BD

£300,000

Well located in an established and sought after area of this popular market town is this traditional 1930's semi detached home. The property has double glazing and a central heating system, but the back boiler is out of commission and the property requires some updating. This is reflected within the asking price and as such represents a fantastic opportunity for a buyer wishing to put their own stamp on this lovely home.

The accommodation briefly comprises: Storm porch, entrance hall, lounge, dining room, kitchen, landing, three bedrooms and shower room.

The private garden is a particular feature extending approximately 100' in length and there is a detached garage (without vehicle access).

The property is offered with the added benefit of no upward chain.

Service without compromise

Storm Porch

Open arched access. Opaque double-glazed door to entrance hall.
