chamberlains
the key to your home

This four bedroom detached house is set back in a corner of a cul de sac by a short-cut pathway to the centre of the village and enjoying lovely countryside views.

Stepping in through a canopied entrance you enter the hallway where there is a study, stairs to the first floor and a cloakroom/WC to your left, the kitchen/breakfast room ahead and a lounge/diner to your right.

The study features a window to the front and a useful and storage cupboard positioned beneath the stairs. The lounge/dining room is a good size with a fireplace, a bay window to the front and French doors out to the rear garden. The kitchen/breakfast room comprises a range of matching wall and base level units with a stainless steel mixer tap sink and drainer. Built in appliances include a Rangemaster cooker, dishwasher and fridge. There is tiled flooring throughout and three windows overlooking the rear garden and a glazed door from the dining end out to the rear.

A door leads in to a utility area off the kitchen which is converted from most of the garage. This has a washing machine and fridge/freezer, mixer tap sink and drainer, base and wall cupboards, tall cupboards and the boiler. A door leads through this to an area behind the up and over garage door providing some storage and space for bikes.

To the first floor you will find four bedrooms, with the master bedroom benefiting from an en suite shower room and having two windows to the front enjoying pleasant views over surrounding countryside and the Teign estuary towards Shaldon. The second bedroom also faces the front and the other two bedrooms overlook the rear, all with pleasant outlooks. The family bathroom comprises a low level flush WC, pedestal wash hand basin and panelled bath with shower from the mains. There is tiled flooring, part tiled walls and an obscure window to the rear. The landing is flooded with light and there is a perfectly positioned window enjoying a beautiful view across the Teign estuary.

The property is gas centrally heated and double glazed.

Most of the integral garage has been converted into a utility area with a courtesy door into the kitchen. There is an area behind the up and over garage door providing some storage and space for bikes. The driveway is brick paved and provides parking for three cars.

The rear garden is paved and easily maintained, enclosed by hedgerow and fencing. There are two timber built storage sheds.

Bishopsteignton is a highly desirable estuary village with an excellent community feel. The village has many local amenities including a primary school, two pubs, churches, a pharmacy, a local brewery, post office, general stores and a small hotel.
